

Floyd Petersen, Mayor Stan Brauer, Mayor pro tempore Robert Christman, Councilmember Robert Ziprick, Councilmember Charles Umeda, Councilmember

COUNCIL AGENDA:

September 13, 2005

TO:

City Council

VIA:

Dennis R. Halloway, City Manager

FROM:

W. James Hettrick, Director of Information Systems

SUBJECT:

Authorization to Purchase Backbone Quad Duct Materials

RECOMMENDATION

It is recommended that the City Council authorize staff to purchase enough backbone quad duct from Performance Utility Supply of Corona in an amount not to exceed \$265,000.

BACKGROUND

The Loma Linda Connected Community Program utilized quad duct for the backbone. We have completed 1 ½ of the 4 backbone rings. The remaining 2 ½ rings are being schedule for construction in the future. We need an additional 138,000 linear feet of backbone quad duct.

ANALYSIS

Staff identified an imminent problem with the pricing and availability of petroleum base products. The increases in oil prices have the conduit industry projecting an immediate 25% to 30% increase in price. Staff has locked in the quantity and price for the remaining rings. This equates to \$66,000 savings if we purchase the needed quad duct.

FINANCIAL IMPACT:

Funding will be provided from account 77-1800-8240

Performance Utility Supply
